DISTRICT OF MASSACHUSETTS

UNITED STATES OF
AMERICA

v.

CHRISTOPHER CONDRON
JESSICA METIVIER

Defendants

CRIMINAL No. 17-10243-IT

PROPOSED VOIR DIRE

In addition to the Court's regular questions to jury venire, the Government respectfully requests the following additional question:

The case you are going to hear may involve some evidence about allegedly fraudulent applications to the United States Treasury Department for grants for energy property that will involve some technical discussion about gasification systems and bio-fuel.

1. Does anyone in the venire have any background or experience in the field of gasification, bio-fuel, wind farms, or any other energy related engineering that could affect you impartiality or view of this case?
